### **ATCO TRIVERS Joint Venture to Provide Accommodations for G8 Summit Security Personnel**

**Calgary, Alberta** -- ATCO Structures Inc. and TRIVERS Food Services Ltd. today announced that its Joint Venture (ATCO TRIVERS Summit Services Corp.) will provide accommodations to security personnel overseeing the 2002 G8 Summit, which will be held in June in Kananaskis Country. The contract was awarded to ATCO TRIVERS by Public Works and Government Services Canada following a competitive bid process.

ATCO TRIVERS will provide a variety of units for security personnel, as well as transportation and installation of the modular buildings, and catering and maintenance services. Efforts were made throughout the design and installation phases to minimize environmental impact at the site.

Walter Kmet, ATCO Structures' President and CEO, said today "We are very pleased to be involved with this world-class event. The Province of Alberta will be hosting visitors from many different countries during the Summit, and ATCO is proud to assist the skilled people who are working to ensure attendees and the surrounding communities remain safe and secure."

Ken Stephenson, President of TRIVERS Food Services, said "We are proud to have the opportunity to provide our services to this very important global occasion. TRIVERS is looking forward to providing first class food and accommodation for the G8's security forces."

TRIVERS Food Services Ltd. is a full service industrial camp and catering company that provides turnkey services to the resource industries, railways, firefighting, heavy construction and the military. The company primarily serves western Canada and the Northwest Territories.

ATCO Structures Inc., part of the ATCO Group of Companies, has manufactured, sold and leased workforce housing and modular buildings since 1947 to more than 100 countries around the world. The ATCO Group is a worldwide organization of companies engaged in power generation, utilities, logistics and energy services, industrials and technologies.
